He's certainly heading in the right direction, though, and I'm really pleased with that.'   | 04/04/2026     | Not Available            | Ruled Out |

It's not something that needs surgery, and we've gone another route here because the ankle is stable. He's gone through a procedure now where he's had a couple of injections, and we're hoping [it won't be too long].'  | No Return Date | Not Available            | Ruled Out |

At the moment, Levi is in a really good place. He's on the right track, but I don't want to put pressure on him. It's been brilliant to see him back on the pitch running. He is itching to get back, but we need to make sure he feels 100 per cent perfect.' | 01/06/2026     | Not Available            | Ruled Out |

|                    | Dario Luis Essugo     | Other                   | Jan 30: 'Dario is, obviously, a little further behind [Lavia and Tosin].'   | 01/03/2026     | Not Available            | Ruled Out |
|                    | Romeo Lavia           | Thigh Injury            | Feb 09: 'He has been on the training pitch with us in the last two days, which has been great to see. As I've said before, we have to do is make sure that when he's back, he's back for good. We are just making sure he gets the right plan over the next ten days, two weeks to achieve that.'   | 21/02/2026     | Not Available            | Ruled Out |
|                    | Marc Cucurella Saseta | Thigh Injury            | Feb 11: 'Yeah, Marc is too early to know. Obviously, he's definitely out of the game against Hull. |                    | Jean-Philippe Mateta  | Knee Injury             | Feb 10: 'Fortunately, he doesn't need surgery. So, the knee injury doesn't look as bad as feared. And so we think - this is the opinion from several specialists and doctors that we can deal with the knee in a better way than surgery. He will miss a certain time - I can't say two weeks, three weeks, four weeks.'  | 01/03/2026     | Not Available            | Ruled Out |

Being so young and coming to a new country and playing so well in your first game, it's very hard to take the positives. But you try to look at that, and that is that he is still so young, and he has so many years still to go after he recovers.' | 03/08/2026 | Not Available            | Ruled Out |

|                       | Savio Moreira de Oliveira | Thigh Injury            | Jan 23: 'Savinho still stuck. Yesterday he ran on the pitch, so maybe two weeks or three weeks, or maybe less, I don't know.'  | 21/02/2026 | Currently Being Assessed | 25%       |
