Being so young and coming to a new country and playing so well in your first game, it's very hard to take the positives. But you try to look at that, and that is that he is still so young, and he has so many years still to go after he recovers.'	03/08/2026	Not Available	Ruled Out

	Stefan Ortega Moreno	Calf/Shin/Heel Injury	Feb 27: 'It was another problem during the game because he felt something in his calf, and we had just one sub left.
