But we'll prepare him - he needs time. I thought it would be quicker, but I am not medical - that's why I wait for him, and we'll prepare him to come back with us.'	05/09/2026	Currently Being Assessed	25%
Everton (1)	Christian Norgaard	Other	Aug 28: 'Christian is still not there - he's not making great progress at the moment, so it's not something which we're probably going to get back quickly. We'll just see how that develops.'	12/09/2026	Not Available	Ruled Out

	Charlie Hughes	Groin/Hip/Pelvic Injury	Aug 23: 'Charlie is just ongoing, really. He's been out to see someone at the back end of last week, a specialist who works in that sort of area. It's obviously frustrating for him as much as it is for us, but important that we get to the bottom of it and make sure that once we sort this issue out, it's hopefully not going to come back as well.'	11/10/2026	Not Available	Ruled Out

Liverpool (6)	Conor Bradley	Knee Injury	May 08: 'In the rehab, it's always important if certain steps go well or they don't go well. It's really difficult, the stage he is in now, to predict when he will be back. He's still inside and working really hard to make the right steps, but he is quite far away from going outside... that makes it quite complicated to tell how long it is going to take.'	01/01/2027	Not Available	Ruled Out

	Hugo Ekitike	Calf/Shin/Heel Injury	Apr 24: 'The surgery went well, but in such a long rehab process, there are so many steps that need to be made. It's not massive, it's a normal muscle injury, [but] I think it's going to be impossible to have him for the start of the season because we are not so far [away]. It shouldn't be a lot more.'	04/09/2026	Not Available	Ruled Out
	Jayden Danns	Thigh Injury	Apr 17: 'The good thing for him [is that] he's now getting back with the U21s, getting some playing time. 	Giovanni Leoni	Knee Injury	Sept 26: 'He is not in a good place because he tore his ACL, which means he will be out around a year. Being so young and coming to a new country and playing so well in your first game, it's very hard to take the positives. It will be great to have him back. We'll wait and see. We're hopeful but I don't want to put any deadlines on it just yet.'	20/09/2026	Not Available	Ruled Out
	Matthijs de Ligt	Lower Back Injury	Aug 20: 'Matthijs has obviously been out for a long period of time, but he's training, and it's great to have him back. Well, he won't be involved, but he's in good shape and moving in a good direction. So that's really a good bonus for us really at this stage.'	06/09/2026	Not Available	Ruled Out

	Manuel Ugarte Ribeiro	Knee Injury	July 15: 'Man United confirm Manuel has undergone successful surgery to address a knee ligament injury, which he suffered whilst representing Uruguay at the World Cup. 	Valentino Livramento	Calf/Shin/Heel Injury	Aug 27: 'First of all, we're happy that he is back in training. Now, also fully integrated, he still follows some of his individual program. Sooner than later he is fully back in training, and then we can also talk [about] the squad when he is able to be in the matchday squad, getting the first minutes. But again, step-by-step, and take our time.'	05/09/2026	Currently Being Assessed	25%
Nottingham Forest (2)	Nicolo Savona	Knee Injury	Aug 20: 'We thought he would be further than where he is now. He had a minor setback after his knee reacted more with the load than we wanted.
